Draft incentives for Oregon customers of Pacific Power, Portland General Electric, NW Natural and Cascade Natural Gas.

Conservation Services Group is a Program Management Contractor for Energy Trust of Oregon, Inc.

Rules for Program Participant Installation of Measures	Other Home Energy Savings Program Terms and Conditions
• Insulation measures (attic, floor, and duct) are the only ones that can be installed by a homeowner. • Incentives are only paid for materials, not labor. • Financing not available for measures installed by homeowners. • Homeowner-completed projects will be subjected to Quality Control inspections by Home Energy Savings program staff to verify that measures have been properly installed.	• Forms must be complete and accurate for incentives to be paid. • All required documentation, including contractor invoices, must be submitted with the Incentive Application. • All measure incentives are paid directly to participants. • Participants can not receive both measure incentives and a subsidized loan. • A non trade ally contractor can install measures, but must have a current Oregon Construction and Contractors Board (CCB) license. • The Energy Trust reserves the right to modify measure incentives and financing during the program period.

Participating trade ally contractors for duct testing & sealing

Alpha Energy Savers
Central Oregon Heating & Cooling
Gagle's Heating
Habitats Energy Services
Home Comfort Inspections & Services
Mountain View Heating, Inc.
Premium Efficiency
Spring Air, Inc.
Total Comfort Weatherization
