Energy Trust of Oregon

Residential Customer Heating Season Gas Promotion

August 13, 2008

Energy Trust of Oregon, Inc.

Time Frame & Details

September 1, 2008 – April 30, 2009

- 90+ Furnace incentive will be increased from current $150 to $200
- For every eligible gas measure installed beyond the first measure, an additional $100 will be paid to the customer (on top of standard incentives)
  - Measure must be on the list of eligible measures (next slide)
  - Home must have gas heat for weatherization bonuses
  - No cap on number of additional measures
- Suspend already existing gas package incentives during this time frame

EnergyTrust of Oregon, Inc.
