

Dear Trade Ally,

Congratulations on renewing your membership with the Home Energy Solutions Trade Ally Network.

To better inform Oregonians about the valuable services you provide, we now offer a new Energy Trust Web site opportunity exclusively for Energy Trust trade allies. Effective May 1, 2008, you can submit a description of any limited-time promotion you are running to us for consideration for listing on our Web site at www.energytrust.org/promotions.

Energy Trust receives over 2,500 average daily visits to our Web site, so posting a description of your promotion puts the information in front of thousands of potential customers each month.

To post a link to your special promotion on Energy Trust's Web site:

- Submit promotion details, including start and end dates, to Stephanie Gray, marketing coordinator, at Stephanie.Gray@csgroup.com. Stephanie will review the promotion details and reply with edits or approval. Once approved, you may post approved promotion content to your Web site.
- Within 10 days of approval, we will post a link to your Web site (containing promotion details).
- The link will appear on our promotions Web page, under a special Trade Allies section.
- Your promotion link will be automatically deleted when your promotion expires.

If you have any questions about our new trade ally promotion, please contact our Home Energy Solutions marketing coordinator Stephanie Gray at 503-523-4841, or Stephanie.Gray@csgroup.com.

Sincerely,
