Outdoor Hot Tub/Spa Cover

Residential | Incentive Application | Form 320HT

Terms and Conditions

APPLICATION: This application and any required additional documentation must be filled out completely, truthfully and accurately. Customers may wish to retain a copy of this application and any accompanying documentation submitted to Energy Trust under this program. Energy Trust will not be responsible for lost documentation pertaining to this application request. **The Residential program must receive applications within 60 days after the date of purchase.** Incentives offers are subject to funding availability and may change. **Incentive amounts are valid for purchases through December 31, 2019. Please allow 4-6 weeks for incentive processing.**

ELIGIBILITY: Incentives are available to approved Customers who are Oregon ratepayers of Portland General Electric (PGE) and Pacific Power. Outdoor spa cover incentives are available for Customers who heat their unit with a participating utility. The incentive may only be applied for once per site location, unless multiple outdoor spas exist. Final determination of eligibility shall rest solely with Energy Trust.

ELIGIBLE PRODUCTS: Products must meet Energy Trust energy efficiency specifications. These specifications may be found on the web at www.energytrust.org and are subject to change. If you are not sure of the specifications, please call Energy Trust before proceeding

WORK QUALITY VERIFICATION: Prior to any payment of incentives, Customer will verify that the installed energy-saving measures meet program requirements and Energy Trust of Oregon specification standards. Outdoor temperatures may affect this verification process. Customer's home may also be selected for a quality control post-installation visit. No warranty is implied by this work quality verification.

PAYMENT: Incentives will be paid after: (i) completion and/or installation of the energy-saving measures, (ii) verification of the completion and/or installation of the measures, and (iii) timely submission of all required documentation of measures. Incentives will be paid directly to Customer unless Customer has elected to obtain financing for the cost of installing the energy-saving measures identified in the documentation accompanying this application.

PROOF OF PURCHASE: The invoice documentation accompanying this application must **itemize** the products purchased and/or work performed. This proof of purchase must show: (i) the date of purchase and itemized price paid, (ii) the size, type, make, model or part number for the products, (iii) a description of any installation or other labor charges, and (iv) the invoice is paid in full.

INCENTIVE AMOUNT: Incentive amount cannot exceed total installed cost. Incentives for energy-saving measures completed and/or installed as set forth in documentation accompanying this application are limited to the amounts provided by Energy Trust. Such amounts are subject to change. Current incentive amounts are identified on the web at www.energytrust.org. Contact Energy Trust with any questions.

TAX LIABILITY: Energy Trust is not responsible for any tax liability, which may be imposed on the Customer as a result of payment of any incentives or as a result of obtaining financing. Energy Trust is not providing tax advice, and any communication by Energy Trust is not intended or written to be used, and cannot be used, for the purpose of avoiding penalties under the Internal Revenue Code.

FACSIMILE/SCANNED: Facsimile transmission of any signed original document, and the retransmission of any signed facsimile transmission,

are the same as delivery of the original signed document. Scanned original documents transmitted to Energy Trust as an attachment via electronic mail are the same as delivery of the original signed document. At the request of Energy Trust, Customer shall confirm documents with a facsimile transmitted signature or a scanned signature by providing the original document.

SAFETY AND BUILDING CODES: Customer represents that, with respect to the products and work performed identified in the documentation accompanying this application: (i) all products installed and work performed complies with all federal, state and local safety, building and environmental codes, and (ii) products are UL listed, if applicable, and installed per manufacturer's instructions.

NO ENDORSEMENT: Energy Trust does not endorse any particular manufacturer, contractor, or product in promoting the Residential program. The fact that the names of particular manufacturers, contractors, products, or systems may appear on this application does not constitute an endorsement. Manufacturers, contractors, products or systems not mentioned are not implied to be unsuitable or defective in any way.

PROPERTY RIGHTS: Customer represents that Customer has the right to complete and/or install the energy-saving measures on the property on which those measures are completed and/or installed and that any necessary landlord's consent has been obtained.

ACCESS AND EVALUATION: Energy Trust and/or its representatives may request access to the property on which energy-saving measures have been completed and/or installed and may review and evaluate the project during and after completion. Customer agrees to provide reasonable access to the property for the purposes described herein.

DISCLAIMER/NO LIABILITY: Customer understands that, while Energy Trust may provide Customer with an incentive payment, Energy Trust is not supervising work performed for Customer nor is Energy Trust responsible in any way for proper completion of that work or proper performance of any products purchased. Energy Trust is simply providing funding to assist Customer in implementing energy-saving measures. Customer assumes the risk of any loss or damage(s) that Customer may suffer in connection with installation of the measures. Energy Trust does not guarantee any particular energy-saving results by its approval of the application or by any other of its actions.

ENERGY INFORMATION RELEASE: Customer authorizes Energy Trust to access utility energy usage data relating to the property on which energy-saving measures have been completed and/or installed by accessing the electric and natural gas accounts at the physical address of the project. Customer agrees to provide other reasonable assistance to Energy Trust to obtain such information.

INFORMATION RELEASE: Customer agrees that Energy Trust may include Customer's name, Energy Trust services and resulting energy savings in reports or other documentation submitted to Energy Trust, its Board of Directors, the Oregon Public Utility Commission, Oregon Department of Energy, Oregon Housing & Community Services, and/or the Oregon Legislature. Energy Trust will treat all other information gathered as confidential and report it only in the aggregate.
