## **Windows Specification Supplement**

Existing Multifamily | Incentive Application | For use with Form 320 wx

To be completed by Participant and Trade Ally Contractor or other Contractor

If the project cost documentation submitted with Participant's *Form 320WX* incentive application does not specifically identify the window size and/or U-value for each of the installed windows associated with the incentive request, then this Windows Specification Supplement must also be completed and submitted before Energy Trust can process the incentive application.

| Program Use Only |       |
|------------------|-------|
| Project ID       | PT ID |

Please complete the following additional information for the purchased and installed windows as identified in Participant's submitted *Form 320WX* and project cost documentation:

| Window Size (height x width or shape x measurement) Only required if sizes are not listed on manufacturer's invoice |   | Window U-Value Only required if U-value is not on manufacturer's invoice or you do not have an NFRC sticker    |  |  |
|---|---|--|--|--|
| neare   | all windows installed and write down window sizes to the est quarter of an inch.  | <ul><li>List the U-value for each window.</li><li>You may write all windows with the same U-value on</li></ul> |  |  |
| page  | vindow is non-standard in shape, please use the section on 2 to indicate the shape of the window in addition to the nsions. | one line.  |  |  |

| Participant Name (Property Owner) |  |
|-----------------------------------|--|
| Property Name                     |  |
| Property Address                  |  |
