Energy Usage Release: Utility Account Holder hereby confirms that it has reasonably attempted to identify all of its utility accounts for its identified project site(s) as listed in the **Form 500E: Energy Information Release**. By signing and submitting this **Form 500E: Energy Information Release** to Energy Trust, Utility Account Holder authorizes Energy Trust and its representatives to access the utility energy usage data, including without limitation interval data, for all of Utility Account Holder's utility accounts for the identified site(s), including those utility accounts identified in this **Form 500E: Energy Information Release** and any other of Utility Account Holder's utility accounts that may be associated with such site(s) that Utility Account Holder is not able to reasonably identify at this time. Utility Account Holder represents that it has full authority to grant this authorization. If Energy Trust does not have such utility data, Utility Account Holder authorizes its electric or gas utility representative to release such data to Energy Trust. Utility Account Holder further grants Energy Trust permission to discuss its energy efficiency project with the applicable utility account representative(s) designated to the accounts. Utility Account Holder agrees to provide Energy Trust with such other reasonable assistance as may be necessary to obtain the necessary utility account information.
