OREGON CASH INCENTIVES
FOR SINGLE-FAMILY HOMES
SERVING CUSTOMERS OF PORTLAND GENERAL ELECTRIC, PACIFIC POWER,
NW NATURAL, CASCADE NATURAL GAS AND AVISTA

Take steps to save energy and money while improving home comfort, health and efficiency. Energy Trust of Oregon is proud to offer cash incentives that lower the cost of energy-saving upgrades.

SAVINGS WITHIN REACH
No matter your budget, we’re here to help. Income-qualified households can receive increased incentives through our Savings Within Reach offer. See if you’re eligible at www.energytrust.org/savingswithinreach.

HEATING + COOLING
Heating and cooling systems work hard to provide comfort throughout the year. Replacing old, inefficient equipment helps to improve performance and reduce costs.

Windows
Up to $6 per square foot: Based on efficiency rating.

Insulation
- $0.25 per square foot: attic/ceiling.
- $0.30 per square foot: floor.
- $0.30 per square foot: wall.

WATER HEATING + TREATMENT
Between the bath, kitchen and laundry room, hot water is always in demand. High-efficiency solutions bring energy savings and peace of mind.

Water heater discounts
Our trade ally contractors offer quality installation at competitive prices, and participating retailers offer discount pricing on select gas and electric water heaters.

Visit www.energytrust.org/hotwater for details.

Direct-vent gas fireplace
Up to $250: Based on Fireplace Efficiency (FE) with electronic pilot ignition.

Gas furnace
$550: Minimum 90% AFUE. Only available to select homeowners.

CENTRAL AIR CONDITIONER
$250: Minimum system Season Energy Efficiency Rating (SEER) of 15 and a minimum system Energy Efficiency Rating (EER) of 12.

Ductless heat pump
$500 per residence: For homes replacing electric resistance heat in a primary living space, HSPF 9.0 or greater.

Heat pump
$700 per residence: For homes upgrading from an electric furnace, HSPF 8.5 or greater.

Heat pump controls
$250: Home must be heated primarily by an electric heat pump with electric furnace backup.

Smart thermostat
$80: Select models qualify. Home must be primarily heated with forced air furnace (electric or gas), or an electric heat pump.

HOME IMPROVEMENT STARTS HERE

For complete incentive details, and to find participating contractors and retailers near you, visit [www.energytrust.org/homes](http://www.energytrust.org/homes) or call 1.866.368.7878.

**SOLAR**

Homeowners all across Oregon are taking control of their energy costs—and improving their home value—with clean, renewable energy from the sun.

**Solar electric**

Cash incentives are available for customers of Portland General Electric and Pacific Power and vary based on system size. Visit [www.energytrust.org/solar](http://www.energytrust.org/solar) for details.

**ADDITIONAL INCENTIVE OPPORTUNITIES**

**Single-family rentals**

Energy-saving upgrades and equipment replacement can lower maintenance, increase tenant comfort and retention, and help to quickly fill vacancies. Find incentives at [www.energytrust.org/landlord](http://www.energytrust.org/landlord).

**Condos, townhomes and plex properties**

Energy Trust offers cash incentives for energy-efficient upgrades in multifamily properties such as condos, townhomes and plex properties. Visit [www.energytrust.org/condo](http://www.energytrust.org/condo) for details.

**INSTANT DISCOUNTS**

- **ENERGY STAR® LED lights and fixtures**
  Reduced pricing at participating retailers

- **LED grow lights**
  Reduced pricing at participating retailers

- **ENERGY STAR clothes washers**
  Reduced pricing at participating retailers

- **ENERGY STAR clothes dryers**
  Reduced pricing at participating retailers

**ON-BILL REPAYMENT**

Lower your upfront project costs and start saving energy sooner with affordable financing repaid on your energy bill.

Incentives are subject to funding availability and may change. Effective January 1, 2021.
