**On-Bill Repayment:** You can apply for a loan with preferred rates and On-Bill Repayment through your NW Natural bill to help make energy-saving upgrades more affordable. There are no extra loan payments to keep track of and no loan application fees. Qualifying projects must be eligible for standard Energy Trust incentives. [www.energytrust.org/repayment](http://www.energytrust.org/repayment).

*Incentives are available for residential customers served on rate schedules 1, 2 and 27. Incentives are subject to funding availability and may change. Effective January 1, 2019.*
