Next RAC meeting: Friday, November 30, 2018

Special note: There will be a board of directors public budget workshop on Wednesday, October 17 from 1pm to 4pm that RAC members are encouraged to attend. The workshop was added this year to replace a series of budget-related presentations and to provide CAC, RAC and the board an opportunity to review the same information and discuss it together. This is a nice opportunity for the board to hear what is important to RAC members as they consider Energy Trust's draft budget and action plan. Please consider holding 1 to 4pm on your calendar as you would a RAC meeting.
