TERMS AND CONDITIONS

APPLICATION: This application must be filled out completely, truthfully and accurately. Customers may wish to retain a copy of this application and any accompanying documentation submitted to Energy Trust. Energy Trust will not be responsible for lost documentation pertaining to this application request. **The Residential program must receive applications within 60 days from the date of purchase.** Incentive offers are subject to funding availability and may change. **Incentive amounts are valid for purchases through December 31, 2019. Please allow four to six weeks for incentive processing.**

ELIGIBILITY: Incentives are available to Oregon customers of Portland General Electric, Pacific Power, NW Natural, Cascade Natural Gas and Avista and are payable to the unit owner. Incentives for energy-saving measures are available to PGE and Pacific Power customers who heat their water with electricity and to NW Natural, Cascade Natural Gas or Avista customers who heat their water with natural gas. Customers who have already received an Energy Trust incentive at time of purchase are not eligible for an additional incentive on that product.

ELIGIBLE PRODUCTS: Products must meet Energy Trust energy efficiency specifications. Energy Trust will refer to the qualified models list posted on www.energytrust.org/appliances when approving applications for all clothes washers. If you are not sure of the specifications, please call Energy Trust before proceeding.

PAYMENT: Incentives will be paid after timely submission of all required documentation of products purchased. Incentives will be paid directly to Customer. Customers who are commercial businesses or landlords must submit a completed W-9 to receive an incentive.

PROOF OF PURCHASE: All Customers must submit an itemized receipt showing that the product was purchased new. Itemized receipts must be legible and contain the following information:

- Purchase date
- Retailer name
- Model number
- Purchase price
- Proof of payment

INCENTIVE LIMITATIONS: Energy Trust will not pay incentives on products received under any of the following circumstances, or under similar circumstances:

- Resale, used or refurbished
- Leased or rented
- Products received due to a warranty claim, recall or exchange
- Products won as a prize or given as a gift

In no event will incentive amounts equal or exceed the price of the product purchased.

NO ENDORSEMENT: In promoting ENERGY STAR products, Energy Trust does not endorse any particular manufacturer. The fact that the names of particular manufacturers, equipment or systems may appear on applications does not constitute an endorsement. Manufacturers, equipment or systems not mentioned are not implied to be unsuitable or defective in any way.

TAX LIABILITY: Energy Trust is not responsible for any tax liability, which may be imposed on the Customer as a result of payment of any incentives. Energy Trust is not providing tax advice, and any communication by Energy Trust is not intended or written to be used, and cannot be used, for the purpose of avoiding penalties under the Internal Revenue Code.

PROPERTY RIGHTS: Customer represents that Customer has the right to install the energy-saving products on the property on which those products are installed and that any necessary landlord's consent has been obtained.

ENERGY INFORMATION RELEASE: Customer will allow Energy Trust access to electric and natural gas utility account and usage information for the physical address of the property in which the product was installed. Customer agrees to provide other reasonable assistance to Energy Trust to obtain such information. Customer also acknowledges that Energy Trust will treat all information about services provided and Customer's resulting energy savings as confidential, but may report such information in the aggregate as part of reports or other documentation regarding its programs.

DISCLAIMER / NO LIABILITY: Customer understands that, although Energy Trust is providing funding for the incentives payment, Energy Trust is not supervising work performed for Customer nor is Energy Trust responsible in any way for proper product installation, completion of that work or proper performance of any product purchased. Energy Trust is simply providing funding to assist Customer in implementing energy-efficiency measures. Customer assumes the risk of any loss or damage(s) that Customer may suffer in connection with installation of the products. Energy Trust does not guarantee any particular energy-savings results by its approval of the Application or by any other of its actions. Energy Trust will not be held responsible for any claims made by a retailer regarding the amount of the incentive and the eligibility of the purchase.
