

## Renewable Energy Advisory Council Agenda

Wednesday, February 19, 2020

9:00am – noon

Megawatt Conference Room

421 SW Oak St., Suite 300, Portland, OR 97204

Remote participants: <https://global.gotomeeting.com/join/260745893>

Or dial +1 (646) 749-3112, Access Code: 260-745-893

---

**9:00 Welcome, introductions, announcements**

- Joint RAC/DAC/CAC meeting in April
- PGE Renewable Development Fund and Pacific Power Blue Sky Community Grant funding cycle for 2020

**9:20 Update on the Oregon Community Solar Program** (*information*)

Staff will provide an update on the status of the program, which began accepting project applications on January 21<sup>st</sup>.

**9:50 Report on the past year, past decade, and coming trends** (*information*)

Staff will present information on 2019 program results, along with trends from the past ten years and coming years.

**10:25 Break**

**10:35 Input on changes to non-residential incentives for solar** (*discussion*)

The Solar program will present its proposal to adjust incentive offerings in 2020 for non-residential customers to provide more support for projects that benefit underserved customers and enable community energy resilience, including community solar projects. After presenting preliminary concepts, staff will seek general input from RAC attendees.

**11:45 Update on the 2020 legislative session** (*information*)

Energy Trust staff will provide a brief summary of energy issues in the 2020 short session.

**11:55 Public comment**

**12:00 Adjourn**

You can view this agenda and notes from previous meetings at: [energytrust.org/about/public-meetings](https://energytrust.org/about/public-meetings).

If you have comments on meeting notes, please email [David McClelland](mailto:DavidMcClelland@energytrust.org).

**Next RAC meeting: Wednesday, April 23, 2020 Time TBD**

**The April meeting will include a special joint meeting of the RAC, CAC and DAC to network and gather input on Energy Trust's 2021 Organizational Goals. We anticipate that there will be a short RAC meeting either preceding or following the joint meeting. RAC members and regular attendees will receive more details and schedule details about the April meeting by email. Information will also be posted on the [Energy Trust website](https://energytrust.org) when it is available.**
