

19th AMENDMENT CENTENNIAL

November 5th is Diversity First Thursday at Energy Trust of Oregon from 1:30 PM to 3:30 PM. In August 1920, women across America celebrated the adoption of the 19th Amendment. However, for many women of color they were not allowed to cast their vote because of discrimination, Jim Crow laws, hostility, and downright refusal. We invite you to journey with us back in time to discover how these courageous women of color paved their own way to the Voting Rights Act of 1965. We welcome your participation and hope you will join us on November 5th.
