Self-Identified Ownership Status | Form 1172s

To be completed by Trade Ally

Energy Trust of Oregon strives to create a culturally attentive organization with diverse employees and contractors who contribute a range of perspectives, experience, skills, and ideas to how we work, our programs, and our services. We are working to ensure diversity is reflected in the individuals who work for and with Energy Trust, as well as the many types of people and places we serve, from families to farmers, from small businesses to large industrial manufacturers, and from urban to rural communities.

In many cases businesses within our trade ally network are the first and only connection to Energy Trust customers may have.
