# Residential WA Window Incentives, Contractor Install

Residential | Incentive Application | Form 320<sub>C-WXWA</sub>

## Terms and Conditions

**APPLICATION:** This application and any required additional documentation must be filled out completely, truthfully and accurately. Customers may wish to retain a copy of this application and any accompanying documentation submitted to Energy Trust under this program. Energy Trust will not be responsible for lost documentation pertaining to this application request. **The Residential program must receive applications within 60 days after the date of installation.** Incentives offers are subject to funding availability and may change. **Incentive amounts are valid for installations done through December 31, 2024. Please allow 4-6 weeks for incentive processing.**

**ELIGIBILITY:** Incentives are available to eligible Customers who are: (i) Oregon residential electric service customers of PGE or Pacific Power, (ii) Oregon residential natural gas service customers of NW Natural, Cascade Natural Gas or Avista, or (iii) Washington residential natural gas service customers of NW Natural. Incentives for energy-saving measures that help save on the cost of home heating are available to PGE and Pacific Power customers who heat their homes with electricity and to NW Natural, Cascade Natural Gas and Avista customers who heat their homes with natural gas. Final determination of eligibility shall rest solely with Energy Trust.

**ELIGIBLE PRODUCTS:** Products must meet Energy Trust energy efficiency specifications. These specifications may be found on the web at [www.energytrust.org](http://www.energytrust.org) and are subject to change. If you or your contractor are not sure of the specifications, please call Energy Trust before proceeding.

**WORK QUALITY VERIFICATION:** Prior to any payment of incentives, Contractor will verify that the installed energy-saving measures meet Energy Trust of Oregon specifications (as defined by Building Performance Institute and the current Energy Trust Specification Manual). Outdoor temperatures may affect this verification process. Customer's home may also be selected for a quality control post-installation visit. No warranty is implied by this work quality verification.

**PAYMENT:** Incentives will be paid after: (i) completion and/or installation of the energy-saving measures, (ii) verification of the completion and/or installation of the measures, and (iii) timely submission of all required documentation of measures. Incentives will be paid directly to Customer unless submitted as an instant incentive project. Instant incentive projects will be paid to the contractor. All measures must be installed by an Energy Trust trade ally contractor or any other Oregon or Washington licensed contractor.

**PROOF OF PURCHASE:** The invoice documentation accompanying this application must **itemize** the products purchased and/or work performed. The invoice must show a description of any installation or other labor charges and that the invoice is paid in full.

**INCENTIVE AMOUNT:** Incentive amount cannot exceed total installed cost. Incentives for energy-saving measures completed and/or installed as set forth in documentation accompanying this application are limited to the amounts provided by Energy Trust. Such amounts are subject to change. Current incentive amounts are identified on the web at [www.energytrust.org](http://www.energytrust.org). Contact Energy Trust with any questions.

**TAX LIABILITY:** Energy Trust is not responsible for any tax liability, which may be imposed on the Customer as a result of payment of any incentives or as a result of obtaining financing. Energy Trust is not providing tax advice, and any communication by Energy Trust is not intended or written to be used, and cannot be used, for the purpose of avoiding penalties under the Internal Revenue Code.

**FACSIMILE/SCANNED:** Facsimile transmission of any signed original document, and the retransmission of any signed facsimile transmission, are the same as delivery of the original signed document. Scanned original documents transmitted to Energy Trust as an attachment via electronic mail are the same as delivery of the original signed document. At the request of Energy Trust, Customer shall confirm documents with a facsimile transmitted signature or a scanned signature by providing the original document.

**SAFETY AND BUILDING CODES:** Customer represents that, with respect to the products and work performed identified in the documentation accompanying this application: (i) all products installed and work performed complies with all federal, state and local safety, building and environmental codes, and (ii) products are UL listed, if applicable, and installed per manufacturer's instructions.

**NO ENDORSEMENT:** Energy Trust does not endorse any particular manufacturer, contractor, or product. The fact that the names of particular manufacturers, contractors, products, or systems may appear on this application does not constitute an endorsement. Manufacturers, contractors, products or systems not mentioned are not implied to be unsuitable or defective in any way.

**PROPERTY RIGHTS:** Customer represents that Customer has the right to complete and/or install the energy-saving measures on the property on which those measures are completed and/or installed and that any necessary landlord's consent has been obtained.

**ACCESS AND EVALUATION:** Energy Trust and/or its representatives may request access to the property on which energy-saving measures have been completed and/or installed and may review and evaluate the project during and after completion. Customer agrees to provide reasonable access to the property for the purposes described herein.

**DISCLAIMER/NO LIABILITY:** Customer understands that, although Energy Trust may provide Customer with an incentive payment, Energy Trust is not supervising work performed for Customer nor is Energy Trust responsible in any way for proper completion of that work or proper performance of any products purchased. Energy Trust is simply providing funding to assist Customer in implementing energy-saving measures. Customer assumes the risk of any loss or damage(s) that Customer may suffer in connection with installation of the measures. Energy Trust does not guarantee any particular energy-saving results by its approval of the application or by any other of its actions.

**ENERGY INFORMATION RELEASE:** Customer authorizes Energy Trust and the contractor signing this application to access utility energy usage data, including without limitation interval data, relating to the property on which energy-saving measures have been completed and/or installed. To do so, Energy Trust may access the electric and natural gas accounts and thermostat usage information at the physical address of the project, and the contractor may access thermostat usage information at the physical address of the project. Customer agrees to provide reasonable assistance to Energy Trust to obtain such information. Customer also authorizes the contractor signing this application to share information about the Customer's thermostat system, including, without limitation, thermostat usage information, with Energy Trust.

**INFORMATION RELEASE:** Customer agrees that Energy Trust may include Customer's name, Energy Trust services and resulting energy-savings in reports or other documentation submitted to Energy Trust, its Board of Directors, the Oregon Public Utility Commission, Oregon Department of Energy, Oregon Housing and Community Services, the Oregon Legislature, and/or other government agencies. Energy Trust will treat all other information gathered in evaluations as confidential and report it only in the aggregate.

## Optional Customer Demographic Information (If completed, choose all that apply)

### Why is Energy Trust asking for this information?

Energy Trust is asking customers to submit demographic information because it is our responsibility to ensure that all customers can directly benefit from our services. We believe demographic data collection is a simple yet powerful tool for pursuing equity and inclusion in our work and programs. Receiving the information below about our customers will give us a clearer picture of program participation rates within our Residential Programs. We will use that information to assess our offers and identify barriers to participation, enabling us to develop and improve offers to reduce or eliminate those barriers. Questions about household income and full-time residents can help identify if you and your household may be eligible for increased Energy Trust incentives

Providing this information is optional, does not impact your participation in the program, and will be held confidential by Energy Trust.
