

SMART THERMOSTAT UPGRADES MAKE SAVING MONEY AND ENERGY EASY

Smart thermostats help keep operational costs and energy bills down while providing a consistent, comfortable environment at your business. They eliminate the need to manually control heating and cooling, provide greater peace of mind and give you one less thing to keep track of.

Energy Trust of Oregon offers **cash incentives of up to \$500** which can cover the full cost of the purchase and installation of a commercial smart thermostat.

Commercial smart thermostats can help businesses:

Lower energy consumption

Save money on energy bills

Keep track of energy use

Businesses that can benefit from commercial smart thermostats include:

Restaurants

Grocery stores

Medical clinics

Retail

And more

Visit www.energytrust.org/commercial-smart-thermostat for details on how to get started.

Email us at existingbuildings@energytrust.org or call **1.866.605.1676** if you have any questions or need assistance.

Energy Trust of Oregon is an independent nonprofit organization dedicated to helping utility customers benefit from saving energy and generating renewable power. Our services, cash incentives and energy solutions have helped participating customers of Portland General Electric, Pacific Power, NW Natural, Cascade Natural Gas and Avista save on energy costs. Our work helps keep energy costs as low as possible, creates jobs and builds a sustainable energy future. **Printed on recycled paper that contains post-consumer waste. 5/24**
