**A. Grant Requirements and Grantee Activities.** Grantee's internship must meet the following requirements to receive Grant funding.

- Grantee must be designing buildings located in Oregon and be an AIA 2030, MEP 2040, or SE 2050 Commitment signatory
- Grantee commits to using a Diversity, Equity and Inclusion lens when recruiting and screening applicants. - Grantee's Net Zero Emerging Leaders Internship Grant intern must work a minimum of 120 hours, approximately 10-15 hours per week, over the course of the internship under the supervision of Grantee's assigned mentor on tasks associated with the firm's Oregon project portfolio and AIA 2030, MEP 2040, or SE 2050 Commitment, as applicable.

- Grantee must assign a dedicated firm mentor who is responsible for supporting the intern and providing guidance on Commitment tasks.
- Grantee must meet the following reporting requirements for the applicable Commitment:

(Note: SE 2050 requires signatories to annually report a minimum of two projects per office and/or minimum of five per firm so this grant would prioritize entry of a firm's Oregon projects.)
